**MEMORANDUM FOR:** Deputy Director (Plans)

**SUBJECT:** Transmittal of OXCART Activity Program Supplement #3

**REFERENCES:** A. OXC-0549, OXCART Activity Program Supplement #2, 11 May 60.  
B. OXC-0278, OXCART Activity Program Supplement #1, 4 February 60.  
C. OXC-0056, OXCART Program Approval, 19 October 1959.

1. This memorandum contains recommendations for DD/P approval. Said recommendations are contained in paragraph 4.

2. The approved FY 1960 budget for the OXCART program is [redacted] for which funds are available. References requested authorization and received DCI approval to obligate a total of [redacted] in accordance with estimated requirements noted therein. Paragraph 2 of OXCART Activity Program Supplement #3, attached to this memorandum, contains an adjustment and reallocation of [redacted] in firm OXCART obligations (listed for convenience in tabular form in attachment #1 to OXC-0662, attached) to be incurred in FY 1960 from within the previously authorized amount of [redacted]

3. In addition to the aforementioned adjustments within the FY 1960 OXCART program, approval is hereby requested for the obligation in FY 1960 of [redacted] as an advance against the FY 1961 OXCART activity program. These funds are available from savings within components responsible to the DD/P [redacted] from components other than DPD and [redacted] from within DPD). The OXCART FY 1961 activity program has not yet been approved by the DCI but is included in the amount of [redacted] in the DPD operational program which has been submitted for DD/P and DCI approval. The advance

obligation for which authorization is here requested against the FY 1961 program will cover only about 5 percent of the total submitted for approval and will thus leave ample opportunity for any adjustment in that program required by the DD/P or the DCI.

4. It is recommended that the DD/P approve:

a. The adjustments and allocations referred to in paragraph 2 above.

b. The advance obligations of FY 1960 against the FY 1960 program referred to in paragraph 3 above.
